May 21st, 2020 - the great
migration the great migration
occurred between 1915 and the
year 1970 and it involved the
migration of over 6 million
african americans from south
cities to the north of the country
the great migration resulted into
what can be described as a shift
in massive demographic shifts
across the united states'

'isabel wilkerson the great
migration and the power of a
May 29th, 2020 - ted talk subtitles
and transcript sometimes a
single decision can change the
course of history join journalist
and author isabel wilkerson as
she tells the story of the great
migration the outpouring of six
million african americans from
the jim crow south to cities in the
north and west between world
war i and the 1970s this was the
first time in american history that
the lowest caste'
