herring or two in the plot
starts to smell of contrivance'*

**'blue and orange morality
tv tropes**

June 5th, 2019 - to say that

questions of morality are
thorny and filled with gray
when they aren't being
hammered between stark
absolutes is putting it mildly
because of this there can be
great drama when
characters who represent a
wide range of moral
viewpoints are brought together or into

conflict the strangest of
these characters are those
who espouse blue and
orange morality'
