frontier that one is constantly'

'martine franck's photography

inaugurates the new fondation

May 31st, 2020 - since the

beginning of the 20th century

until the mid 1960s

photography was quite a male

dominated medium in the post

war period however the

equipment became accessible

to everyone so naturally more

and more women started

using the camera as a tool for

expressing their own world

views and one of them was

martine franck who created

an extraordinary oeuvre

over the course of more

than"top 10 quotes by martine

franck a z quotes

May 13th, 2020 - a

photograph isn't necessarily a

lie but nor is it the truth it's

more of a fleeting subjective

impression what i most like

about photography is the

moment that you can't

anticipate you have to be

constantly watching for it

ready to welcome the unexpected'
