world is divided into those who have read
the hobbit and the lord of the rings and
those who are going to read them sunday
times a finely written saga of dwarves and
elves fearsome goblins and trolls an
exciting epic of travel and magical
adventure all working up to a devastating
climax observer'*

'history of what is the earliest instance

of dark elves

May 27th, 2020 - there are dark elves dökkálfar or black elves svartálfar also in norse mythology of course but together with other races like light elves dwarves gnomes and so on the modern fantasy depiction of these creatures draws from mythology very loosely they would fall more into a modern definition of fairies or magical creatures rather than non human men as mon in the fantasy genre'
