'Disability Rights Meet Sex Workers Rights the Making of
February 8th, 2020 - Clearly rooted in a disability rights perspective this grassroots initiative does not only concern sexual assistance but more largely sex services In this sense this study invites us to look at sexual assistance as an interesting space for alliance between sex workers? rights and the rights of people with disabilities as a uniquely politicised group of potential clients'

'Scoping models and theories of disability Implications
April 23rd, 2020 - A medical model of disability was the most discussed model in our first scoping review This is perhaps not surprising as the other three models were

developed in response to the ways in which medicine has viewed disability
In essence medical models see impairment as a consequence of some 'deviation' from 'normal' body functioning'
