May 19th, 2020 - this year's conference titled urban de coloniality and literature sought to push back against what we the co chairs thought was a limited reception of the project of decoloniality within literary studies e g that the project is geographically restricted to the americas temporally restricted to the 15th and 16th centuries and'

'decoloniality

June 3rd, 2020 - decoloniality or decolonialism is a term used principally by an emerging latin american movement which focuses on untangling the production of knowledge from a primarily eurocentric episteme it is a critique of what is seen as the perceived universality of western knowledge and the superiority of western culture decolonial perspectives see this hegemony as the basis of western imperialism'
