April 20th, 2020 - in questa storia baricco is a very clever applicator of techniques styles and registers of language his italian is very smooth and rather easy to this novel shows a certain similarity with the celebrated cloud atlas by the british writer david mitchell also published in 2005 the different stories or parts of the novel each provide a different view on the previous story but the version of baricco is substantially better managed than that of mitchell both in style and in content''**log into facebook facebook**
